**ORDER AFFIRMING RECOMMENDED DECISION
OF THE MAGISTRATE JUDGE**

Scott A. Gallant, proceeding pro se, sued the Town of Bowdoinham and its employees on December 23, 2024.¹ ECF No. 1. On January 2, 2025, Magistrate Judge Wolf denied Mr. Gallant's request to proceed without prepayment of fees and costs and ordered Mr. Gallant to pay the filing fee by January 16, 2025. ECF No. 6. Magistrate Judge Wolf warned Mr. Gallant his case would be dismissed if he failed to pay on time. When Mr. Gallant did not pay by January 16, 2025, Magistrate Judge Wolf recommended the Court dismiss the action. ECF No. 7. Magistrate Judge Wolf notified the parties that failure to object to the recommended dismissal would waive their right to *de novo* review and appeal.

The time to file objections to the recommended decision expired on January 31, 2025, and no objections have been filed. I have reviewed and considered the recommended decision, together with the entire record; I have made a *de novo*

determination of all matters adjudicated by the recommended decision; and I concur with Magistrate Judge Wolf's recommended dismissal for the reasons set forth therein.

It is therefore ORDERED that the recommended dismissal of the Magistrate Judge, ECF No. 7, is hereby AFFIRMED and ADOPTED. The case is DISMISSED without prejudice.

SO ORDERED.

Dated this 21st day of February, 2025.
